

## LEVANTAR Floor Lift, Power Base 500 lbs

- Weight capacity of 500 lbs
- Base option: Power
- Elegant, contemporary design with soft lines but still heavy duty
- Features you expect in a Premium lift
- Oversized sealed rear casters roll easily and lock securely
- Easily lifts resident from floor
- Redundant controls allow for use even if hand control is inoperable
- Smart & Safety Technology – LCD display
  - Visual battery fuel indicator on Hand Pendant and Lift Control Module
  - Auditable low battery alert fuel indicator
  - Lift safety stop if resident or caregiver accidentally gets in the way of the boom arm
  - Audible Alert if the lift detects weight overload
  - Maintenance monitoring: by months or lift cycles
  - Audible Alert that maintenance is due
- NEW Six-point cradle with spring clips offer a more secure and wider foot print reducing sling squeeze, shallow height offers greater height range
- Can be charged on, or off the lift
- Includes 1 battery and external charger stand
