SEATING SERIES

INVACARE[®] MATRX[®]

LIBRA[™]
CUSHION

The **Invacare[®] Matrx[®] Libra[™] Cushion** — The complete solution is designed with the highest level of skin protection, positioning and adjustability for unique user needs. It is specially contoured to provide balance and stability to the pelvis, optimizing body function. Recommended for all users including those at highest risk of skin breakdown.

Outer Cover – Moisture-resistant, high-stretch, breathable Startex™. Hook and loop fastener strips, lifting strap, convenient zippered side pocket with easy pull zipper tab. Optional Spacetex 4000U™ cover available for extra breathability.

Inner Liner – Highly flexible Platilon liner provides an extra layer of moisture protection.

Fluid Sac – Dual-layer, sealed compartments for maximum protection around bony prominences. Non-temperature sensitive, no kneading or maintenance required.

Ab/adductor contour promotes comfortable midline leg position.

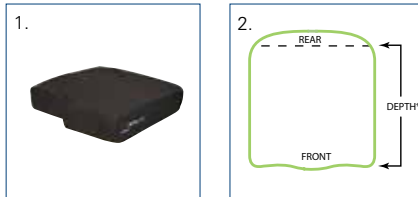

Foam Base – Anatomically contoured to optimize pelvic support and positioning. High resilience foam made with Ultra-Fresh™ anti-microbial and odor protection.

Pre-ischial contour prevents sliding to reduce shear.

Trochanteric shelf promotes level pelvis, lateral stability.

Extended rear cushion radius helps prevent posterior pelvic tilt.

Waterfall front edge accommodates tight hamstrings, foot propulsion.

1. Modification

Leg length discrepancy cuts and depth reductions available, outer cover tailored to fit.

2. Actual cushion depth is 1 ½" longer than stated depth due to rear cushion radius.

Libra Fit Kit Accessories: Designed to enhance immersion, correct or accommodate orthopedic issues.

Lateral Wedges

Creates extra depth of contour for enhanced ischial relief

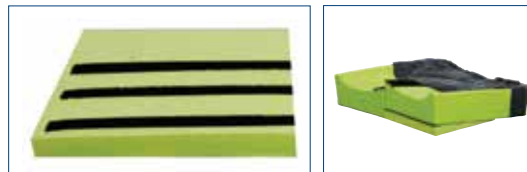

Tapered Wedges

Enhances adductor support, addresses pelvic rotation/obliquity

Anterior Seat Wedges

Enhances pre-ischial contour to prevent sliding

Hemi Wedge

Accommodates hip flexion limitations, foot propulsion

Fluid Supplement

Unique strap attachment for targeted application

Abductor

Promotes midline leg position

HCPCS Code: E2624/E2625

Model #	Width	Depth	Height at Abductor/Adductor	Height at Leg Trough	Product Weight	Weight Capacity	Limited Warranty
LC (Standard)	14" - 20"	14" - 20"	3.35"	2.35"	4.0 lb. and up	300 lb.	3 Year
