Quickie GT

20.5 lbs

## Quickie is pleased to announce the newest addition to our Ultralight family.

The new Quickie GT is the sibling of the Quickie Ti Titanium, one look and you'll see the resemblance. The GT features the open, wrap-around Titanium frame, but is manufactured out of a lightweight aluminum.

- New Angle Adjustable Backrest
- Standard Fully Adjustable Axle
- Adjustable Suspension
- Quickie Xtender compatible
- Toe In/Toe Out Indicator
- Adjustable Armrests
- Optional Travel Wheels
- Easy Caster Adjustment

Frame Design

The open, wrap-around frame design of the GT eases transport.
