SleepSafe® Beds is a domestic USA manufacturer of custom safety beds, featuring removable safety side rails, designed to address the issues of falls and entrapment for those with special needs. Models include SleepSafe®-Low Bed, SleepSafe® II- Medium Bed, and SleepSafer®-Tall Bed, offering progressively more safety rail to mattress height.

SleepSafe® Beds are built to order, offering twin, full or queen size; fixed, articulating or HiLo electric or manual foundations; padding; wood or color finishes, and other helpful options. SleepSafe® Beds help those with special needs get a safe, restful sleep with peace of mind for their caregivers.
