

Invacare® Top End® Prelimator™ Stock Racing Wheelchair

Product Description:

Designed for the up and coming wheelchair racer, the Invacare® Top End® Prelimator™ Racing Wheelchair offers exceptional stability and freedom to compete. The Prelimator™ Racing Wheelchair comes as a set configuration for schools, sports clubs and weekend racers or a more customized configuration for the more competitive user.

About New Smart Forms:

Top End is excited to introduce a new way to order Top End products. Our new Smart Forms provide an easy and electronic way to fill out order forms, save copies, and submit them via e-mail. Please see below for the features and useful information.

How to use:

- Use any Adobe Acrobat application to electronically fill out the order form
- Use the default selections to order a product with the most common configuration
- Use the "**Reset**" button located in the forms footer to reset selections to their defaults
- Use the "**Clear All**" button located in the forms footer to clear selections, including defaults. This feature allows for a blank order form to be printed and completed by hand
- Use the "**E-mail to Top End order box**" button located on the last page of the form to e-mail the completed form directly to the topendorders@invacare.com e-mail inbox
- Forms can be completed electronically, printed, and e-mailed or faxed to topendorders@invacare.com or 727-522-1007 if access to Acrobat Reader for Windows is unavailable

(Acrobat Reader for Windows with java-script enabled is required to save and attach to e-mail)

Features:

- Tabulated options for an organized and standardized work-flow
- New more specific option codes which will appear on confirmations to improve customer / manufacturing communication
- Common special requests have been given option codes
- Built in exclusions to help eliminate errors
- Ability to save the form after it is filled out
- Ability to e-mail the form inside Acrobat Reader rather than saving a copy and attaching to an e-mail
- Ability to clear the entire form so it can be printed and completed by hand in the field when a computer is not available
- Ability to reset form to default selections
