Invacare® Top End® XLT™ Handcycle

Product Description:

The Invacare® Top End® XLT™ Handcycle is engineered for the total recreational experience. Lightweight and stable, this recumbent handcycle comes with seven speeds and a reversing drum brake. The XLT Handcycle features a lightweight aluminum frame in a recumbent handcycle design which enhances aerodynamics and 15 degrees of camber to increase stability.

About New Smart Forms:

Top End is excited to introduce a new way to order Top End products. Our new Smart Forms provide an easy and electronic way to fill out order forms, save copies, and submit to them via e-mail. Please see below for the features and useful information.

How to use:

- Use any Adobe Acrobat application to electronically fill out the order form
- Use the default selections to order a product with the most common configuration
- Use the **"Reset"** button located in the forms footer to reset selections to their defaults
- Use the **"Clear All" button** located in the forms footer to clear selections, including defaults. This feature allows for a blank order form to be printed and completed by hand
- Use the **"E-mail to Top End order box"** button located on the last page of the form to e-mail the completed form directly to the topendorders@invacare.com e-mail inbox
- Forms can be completed electronically, printed, and e-mailed or faxed to topendorders@invacare.com or 727-522-1007 if access to Acrobat Reader for Windows is unavailable

(Acrobat Reader for Windows with java-script enabled is required to save and attach to e-mail)

Features:

- Tabulated options for an organized and standardized work-flow
- New more specific option codes which will appear on confirmations to improve customer / manufacturing communication
- Common special requests have been given option codes
- Built in exclusions to help eliminate errors
- Ability to save the form after it is filled out
- Ability to e-mail the form inside Acrobat Reader rather than saving a copy and attaching to an e-mail
- Ability to clear the entire form so it can be printed and completed by hand in the field when a computer is not available
- Ability to reset form to default selections

Chain Guard:	Full length, shock resistant composite material except when Mountain Drive is chosen. With Mountain Drive selection a half moon shaped black composite chainguard is used.

DEFINITIONS:	
Assembly and Shipping:	Arrives factory assembled, rear wheels and some accessories will need to be installed. Shipping rate is $150 for all shipments in the continental US. Freight quotes for shipments outside the continental US are available upon request.
Quad Twist Shifter Adaptor:	Three pronged adaptor which allows user to tap for shifting
Tri-pin Hand Pedals:	3-Point contact hand pedal similar to hand controls used for vehicles. Allows for the hands to be kept in place for people with limited grip strength.
Quad Grips Hand Pedals:	Combination of Tri-Pin hand pedal and Quad Cuff hand pedal. Allows for the hands to be kept in place for people with limited grip strength.
Quad Cuff Hand Pedals:	Includes Power Plates on the top and the bottom of the pedal to assist through both up and down stroke. Includes an adjustable metal cuff with a hook and look strap to secure hands.
V - Crankset:	Option for people who need more clearance due to long legs or large midsections. Cranks are 180mm long and 20" wide.
Mountain Drive:	Doubles the gears adding lower gears for help climbing hills. Works similar to to a transmission.
Mountain Drive with V-Cranks:	Combines the V Crank upgrade and the Mountain Drive upgrade so the handcycle is equipped with both.

Warranty Info:

Invacare warrants the frames when purchased new and unused to be free from defects in materials and workmanship for a period of three (3) years from the date of purchase from Invacare or a dealer, with a copy of the seller's invoice required for coverage under this warranty. Invacare warrants the upholstered materials (seat and back) and remaining components of this product when purchased new and unused to be free from defects in materials and workmanship for a period of thirteen (13) months from date of purchase from Invacare or a dealer, with a copy of the seller's invoice required for coverage under this warranty
