The **Day-Light Classic Plus**, from the leaders in Bright Light Therapy, is a clinical lamp that meets every expert requirement for therapeutic use. Using the same technology as the clinically proven Classic, the new **Classic Plus** features :

- 10,000 LUX of glare-free white light at 12"
- 99.3% UV blocked for eye safety
- Angle and height adjustable for easy use
- Projects light above for maximum therapeutic benefit
- Treatment time - 20 to 30 minutes

Bright Light Therapy is the #1 recommended line of treatment for the Winter Blues!

It can also help relieve:

- Circadian Sleep Disorders
- Shift Work Adjustment
- Jet Lag
- Low Energy

Safe, natural and effective.
