

Dream™ Mattress

Customizable on demand! If your body changes, just rearrange the DreamCell™ foam springs for custom support – full mattress, either side or targeted areas.

2" Comfort layer prevents body impressions

Available in all sizes

Easily reconfigures to different firmness levels

Breathable cover with moisture wicking properties unzips for cleaning

DreamCell™ mattress technology uses natural rubber, which is naturally hypoallergenic, anti-bacterial, dust mite resistant and extremely durable

Custom support options. Comes in soft, medium, and firm

Pairs Perfectly with the Reverie® 5D™ Adjustable Foundation

Ideal for the weekend warrior, mom-to-be, serious athlete or professional napper.

Whisper Quiet Lift System
Wireless Remote
Preprogrammed Positions
Dual Wave Massage
