Quickie Match Point – Our Newest Release

Introducing the NEW Randy Snow Signature “Match Point” Tennis Wheelchair. The Match Point offers a unique dual front-end caster design for a wider footprint and unsurpassed stability. The new integral 5th wheel design, with a quick-release option, enhances maneuverability and stability. The chair adjusts with a patented center-of-mass adjustment feature that eliminates the need to align the wheels. “This is truly the quickest, most stable chair to hit the courts – I’m proud to put my name on it.”

–Randy Snow.
