Invacare *e*Forms offer new functionality!

Invacare is pleased to offer you an upgraded solution to your ordering process. Our enhanced order forms allow you to fill out a form electronically, print and fax the form, save and email* it to Customer Service, or maintain the business practices that work for you today. The format has been revised to reveal a cleaner look with electronic selection and input functions.

***Saving and emailing the eForms is available with Acrobat Professional software**

If you are using Adobe Reader

- **View** and download all forms
- **Save** blank versions of the forms to your desktop
- **Complete** forms electronically
- **Print** blank or completed forms
- **Fax** completed forms to Customer Service

Please note: The 'Email' button at the end of the form will not work with Adobe Reader. The 'Email' button will only work while using Adobe Acrobat Professional.

If you are using Adobe Acrobat Professional

- **View** and download all forms
- **Save** blank AND completed versions of the forms to maintain electronic records
- **Complete** forms electronically
- **Print** blank or completed forms
- **Fax** completed forms to Customer Service
- **Email** completed forms to Customer Service by using the 'Email' button at the end of the form.

For information on downloading Adobe Reader for free, or puchasing Adobe Acrobat Professional, please visit www.adobe.com.

Please consider the environment before printing this page with your order form.
