

## Companion<sup>®</sup>

### SLEEP SYSTEM

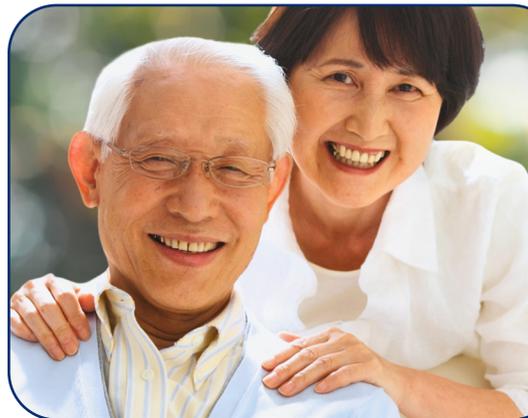

The Companion is a **fixed-height, head-and-foot adjustable hospital bed alternative** that pairs seamlessly with the Night Rider Sleep System. When used together, we can match the height of each bed to create a **Dual King system**.

This way, you and your loved one can **sleep side-by-side in comfort**, each with the freedom to adjust your own bed as needed. It's **the perfect blend of closeness and independence** — designed so you both rest well, every night.

Experience a bed that adapts to you — delivering **comfort, independence, and restorative sleep** so you wake refreshed and ready for the day.
