## ANTIFUNGAL OINTMENT & POWDER

### PROVIDING TREATMENT & RELIEF FOR COMMON FUNGAL INFECTIONS

- > Helps relieve itching, cracking, scaling and discomfort associated with most common superficial fungal infections

Relieves burning, redness, soreness, irritation, and chafing associated with jock itch

Ointment uses petrolatum base with carboxymethyl cellulose (CMC) to help adhere to wet or damp skin

Powder form is talc-free and stays in place for extended periods of time. Recommended for skin folds and feet

Ideal for children over 2 years to geriatrics

Hypoallergenic, non-irritating, non-sensitizing, pediatrician and dermatologist tested
